Selectman's Report 1995

This was a year of contrasts. On one hand, the Town had one of the best fiscal years in its history. We finished with a surplus of \$53,000. Costs were in line and revenues up. On the other hand, we were saddened by the passing of our friend and colleague, Bill Thistle. He will be missed by all. Bill would want us to carry on his work. We shall. Bill was a good teacher and, as you will see in this report, we will present the Town Meeting with a constant approach to fiscal management.

Overall, the financial situation of the Town is excellent. Overall debt is down, and the tax rate held about even. The proposed town operating budget is about \$200 less than the previous year. This is our fourth year of level funding. We are proposing two warrant articles for your consideration. One is for a replacement truck for the Highway Department. Appropriating \$35,000 from surplus and an estimated trade/sale of \$10,000 will keep the borrowing to a minimum. As usual, there are sufficient funds in the budget to amortize the balance over 4 years with no increase in your taxes for this item. The result will be lower maintenance cost and more effective use of time. The truck being replaced has proven to be a high maintenance item. Also, this fits into our overall debt plan as one of the backhoes is paid off this year. By 1998, two additional capital items will be retired. (Another backhoe and a truck). In 1998, the Town Hall note will be retired. Planning is a priority for this Board. In 1985, we set forth a plan to replace all the heavy equipment in the Highway Department, in order to reduce the long term cost of maintenance while improving service. We also responded to the needs of the Fire and Police Departments into this plan. For the most part, the plan has succeeded. We must also point out the cooperation of the various departments and their willingness to recognize each other's needs and the pocketbooks of the taxpayer.

The second warrant item for your consideration is a capital repair item for town buildings for \$8,000. This will be used for repairing/sealing the Town Hall parking lot; Carpeting and renovating the Town Clerk's office; Completing the Town House repairs; and switching equipment for the emergency generator at the Town Hall. This is also from surplus. There are no increases in your taxes for these items. This is still a very conservative budget. It will leave about \$30,000 in surplus for a "rainy day" fund. With the overall reduction in outstanding debt, this leaves us in good shape with respect to the Municipal budget.

Does this mean no increases in the upcoming tax rate? Unfortunately, no! The *number* of children we have attending school will be going up and, even if the schools budget is leveled funded, our costs will rise. We simply have more children in the school system. Coupled with the cost of kindergarten coming on line, our school cost will be higher. County Government has hinted at a pretty good increase as well. **BOTTOM LINE :** Pessimistic estimates will be a 5-6% increase on next year's tax rate. Municipal costs will be down by 1/2 percent. While this is a "pessimistic" outlook with respect to the tax rate,

this still leaves our tax rate as one of the lowest in the State. We hope we are wrong about the rates. We don't wish to "paint too rosy a picture" and leave you unprepared. About 75 cents of every tax dollar goes out of Town. That doesn't mean you don't necessarily benefit by the amount, it simply signifies why you should attend your School District meeting. Increasingly, more of the tax dollar is determined elsewhere, and very few attend these meetings. *Please attend those meetings!*

The repairs to the Townhouse went well. A new full foundation was put under the building and the work will be finished in late Spring. Many thanks to Ken Forbes for his work and advice, Tom Curren and Barbara Lucas. In other matters, the Planning Board has new members and the Board has submitted a number of definition changes for your consideration. (You will receive a detailed explanation in the Town Newsletter being mailed to all taxpayers.) A summary will be available at Town Meeting. In police matters, Chief Jim Gickas has things well in hand. Crime and vandalism are down. We have more police hours available than in the past, and cooperation with other Departments as well as State Police has greatly been improved. Fire Chief, Dave Bartlett retired this January. We thank him for his great efforts on our behalf. He will remain in the department. Andrew Denton is the new Chief. This department continues its great efforts on our behalf. It needs some new volunteers. Anyone interested, call Monday evenings. 744-6047.

Sometimes we hear, *"My house is assessed for more than I paid for it" or "I couldn't sell my house for what it is assessed!"* The difference between market value and assessed value is referred to as equalized assessment ratio. Our ratio of market to assessed value is 127%. In short, take your valuation and reduce it by 27%. That is the approximate market value. If we reassessed the Town, the value of all property would drop by about 27% and the Tax rate would increase by 27%. Your tax bill would remain about the same. To reassess the Town would cost about \$40,000!. It would be unlikely you would see any significant difference in your tax bill. *"How does an individual assessment get modified?"* When some disproportionality occurs or a mistake in the square footage of the building, or during a land survey, it is discovered you own less acreage than we have on record. Some tangible error. What is driving these concerns are the unusual factors in the real estate market. Prior to 1989, real estate values always went up. We are not trying to dismiss your concerns. No one likes the property tax.! Other indexes used by the Department of Revenue Administration, indicates that our "numbers" still are valid. If you have any questions, regarding this matter, please feel free to give us a call.

As you may know, all the various boards in town are part-time volunteers. While faces may change, the spirit that transcends the generations lives on. To all the volunteers that make this such a nice community, a heartfelt thanks from all of us.

Your Selectmen,

Terry Murphy

Maurice Jenness

Tom Curren

TOWN WARRANTSTATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF BRIDGEWATER IN THE COUNTY OF GRAFTON IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:
You are hereby notified to meet at the Town Hall in said Bridgewater on Tuesday, the Twelfth day of March, (1996) next at Twelve of the clock in the noon to act on the following subjects:

Polls to be opened from 12 Noon to 6:00 PM

Business meeting at 8:00 PM

1. To choose a Selectman for three (3) years and all other necessary town officials.
2. To choose a Selectman for Two (2) years to fill the unexpired term of William T. Thistle
3. To see if the Town will vote to raise and appropriate the sum of \$472,723, which represents the operating budget. Said sum does not include special articles addressed. (Majority vote required) Recommended by Selectmen
4. To see if the Town will vote to appropriate the sum of \$68,900 for the purpose of buying a Highway Truck and to authorize the issuance of not more than \$25,000 of notes or bonds for not more than 4 years in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue and negotiate such notes or bonds to determine the rate of interest thereon; Furthermore. to authorize the transfer of the sum of \$35,000 from the December 31st., 1995 fund balance for this purpose; Additionally, to authorize the Selectmen to sell or trade the existing highway truck (Ford F700 4x4) and apply the proceeds to the purchase of the new truck. (2/3 Ballot Vote Required). Recommended By Selectmen
5. To see if the Town will vote to appropriate the sum of \$8000 for capital repairs to town buildings and property and authorize the transfer of said amount from the December 31st. 1995 fund balance for this purpose. (Recommended By Selectmen)
6. To see if the Town will vote to form the Townhouse Advisory Board comprised of one member of the Board of Selectmen, Old Home Day Association, Historical Society, Bridgewater Hill Associates and Conservation Commission.
7. To see if the Town will vote to delegate to the to the Board of Selectman the authority to accept easement deeds for access to and maintenance of fire fighting ponds which may be offered to the Town in connection with applications for Planning Board approval. This authority shall continue indefinitely until rescinded by action of a subsequent Town Meeting.
8. To transact any other business that may legally come before the meeting.

Given under our hand and seals, this Twenty First day of February in the year of our Lord nineteen hundred ninety six.

Plodzik & Sanderson Professional Association193 North Main Street Concord, N.H. 03301 (603) 225-6996*INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION*

To the Members of the
Board of Selectmen
Town of Bridgewater
Bridgewater, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Bridgewater as of and for the year ended December 31, 1995. These general-purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Bridgewater has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Bridgewater, as of December 31, 1995, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Bridgewater. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

Police Department Report

The Police Department responded to 624 calls for service this year. We also had an increase in our regular patrols and as long as mother nature cooperates the patrols on the Town Snowmobile will continue on the roads that are not maintained by the Town during the winter months.

Despite being a Part Time Police Dept. we were still able to handle the majority of the calls this year. This took great dedication and hard work from our officers.

We have hired more officers for better coverage and have regular patrols in the mornings when the children are going to school and people head out to work. We increased patrols during the day while people are at work, which resulted in a low crime rate for 1995.

We continue to work very close with New Hampshire State Police. They occasionally use our office to do reports and it's great to have them in town.

We also continue to work closely with our Selectmen to insure that all departments run smooth. It is great to work together as a team.

Respectfully Submitted

James Gickas
Chief of Police

The Bridgewater Fire Department experienced an active year in which we responded to over 50 emergencies of various types both inside and outside our town. Over the course of the year we continued to develop our skills in multiple areas, but, paid particular attention to water supply strategies. Along this line we had several opportunities to use the capabilities of the hose reel truck that was placed in service in 1994 with satisfying result. We fully believe that this apparatus can give us the ability to supply adequate firefighting water flows to most parts of our town, in an effective manner, to save lives and property.

We also passed two milestones this year that are certainly worth noting. First, the department reached it's twentieth year of operation. This certainly gave us all a chance to pause and think of the original founding members and thank them all for their vision and dedication. Additionally, in early 1996 David Bartlett ended his service to the town as the Fire Chief. He is one of the founding members and has spent the last 16 years as the Fire Chief. I personally, and the other members, thank him for his tireless efforts as our leader during this period of such change and growth. David intends to stay on with the department as an engineer, for which we are happy

Finally, I will close with an appeal to the townspeople to consider joining the fire department. It only works because we all have the same interest-to help our community and the other towns in our area. I feel that the greatest challenge I face now is to increase the department membership. I would encourage you to consider joining us in this worthwhile endeavor. If you are interested, please contact a fireman or myself to learn more about what we do, how we do it and why we consider it so worthwhile. Thank you..

Respectfully Submitted

 Bristol NH 03222

Dear Selectmen,

For several years NANA has experienced significant growth in home care visits. Despite this increase our staff worked closely with physicians to provide a variety of services to patients with acute illness, complex medical and post surgical problems, rehabilitation requirements, long term and terminal illness needs and maternal and infant health problems. NANA also provides community health screenings, well child and immunization clinics, homemaker services and information to help support families in varied situation.

This past October, an on site certification survey by the federal government revealed no deficiencies - - - a tremendous credit to the quality of care provided by our dedicated staff.

An increase of clients with inadequate health insurance and an inability to pay has been noted. At the same time, state programs continue at best to be flat funded. The federal government will reduce reimbursement or benefits for programs such as Medicare and Medicaid.

To meet the challenge we have reviewed our programs and modified some of our services thereby improving productivity and reducing costs substantially.

All information was carefully considered by our Finance Committee during its 1996 budget process. The NANA Board of Directors is respectfully requesting \$6,774. from the Town of Bridgewater for 1996. This amount represents a 4% \$259.38 increase over Your 1995 appropriation.

The following is a summary of the home visits made to Bridgewater residents during 1995.

<u>DISCIPLINE</u>	<u>VISITS</u>
SKILLED NURSING	702
PHYSICAL THERAPY	60
SUPERVISORY VISITS	52
HOME HEALTH AIDE	1488
HOMEMAKER	317

Throughout the industry we are seeing an emergence of new collaborations and affiliations. We are actively participating in several such groups. All are geared to further enhance the delivery, access and coordination of highest quality of care possible in the community.

We begin our thirty sixth year of service with great pride. We are extremely grateful for the support we receive from our towns. This vital assistance makes it possible for us to meet the critical health needs of all in the community. We approach the future with a pledge to build upon this solid base and continue our commitment to quality.

Sincerely,

Jeannine M. Martin,
 Executive Director

PLYMOUTH REGIONAL CLINIC

(603) 536-4467

October 5, 1995

Board of Selectmen
Town of Bridgewater
297 Mayhew Turnpike
Bridgewater, NH 03222

Dear Selectmen,

Plymouth Regional Clinic is requesting that area towns appropriate funds to the clinic in their 1996 budgets

The Plymouth Regional Clinic is a nonprofit, all-volunteer organization providing general medical care to area residents who have limited incomes and no health insurance. The clinic has been open one evening a week since July 1994 and has provided care for almost 300 patient visits.

We have seen patients of all ages and for varying medical complaints, from minor ailments to life-threatening illness, with many seeking treatment for illnesses or conditions which have gone unattended because the patient could not afford medical care. Our volunteer social workers have assisted many patients in identifying other available services which might help them. The enclosed brochure provides more information on our services and eligibility requirements.

Plymouth Regional Clinic has managed to keep its operating expenses low through the generous donation of in-kind services and space by area businesses, Plymouth State College and Spaulding Memorial Hospital, as well as the volunteer services provided by area physicians, nurse practitioners, nurses, social workers and others. As in the past, the clinic is seeking funds for three main purposes, among others, to cover operating expenses such as insurance, medical and office supplies, and licensing fees, to hire a part-time administrator to ensure the clinic's effective ongoing operation, and to create a fund to allow the clinic to pay for patient prescriptions--one of the highest medical costs many patients face.

In order to raise the necessary funds, Plymouth Regional Clinic will solicit donations from area individuals and their 1996 budgets (for Fiscal Year 1997) an appropriation of \$1,000 dollars, or any portion of this which the town feels is appropriate. It is hoped that the towns will realize some savings in the medical account of their welfare Businesses, and will be applying for grant money. In addition, the-clinic is requesting that area towns place in budgets due to the availability of the clinic's services.

If you have questions not addressed in the enclosed brochure or would like more information, please feel free to call the Clinic Administrator, Eileen Towne, at 536-4467.

We hope the towns will support our efforts to meet the medical needs of community members who cannot afford health care. Thank you for your consideration.

Sincerely,

Vincent Scalse D.
President, Board of Directors
Plymouth Regional Clinic

Newfound Economic Development Corporation

"Doing Business With A Vision"

Board of Selectmen
Town of Bridgewater
Town Hall, Rt. 3A
Bridgewater, NH 03222

Dear Board of Selectmen:

The Newfound Economic Development Corporation exists to serve the economic development interests of the Town of Bridgewater and the other seven towns in the Newfound Region. Each town has a position on the Board of Directors of the NEDC available to it. For fiscal year 1996, the NEDC is requesting a donation of \$500 from the Town of Bridgewater to enable the organization to continue its efforts to bring new business or business expansion to the town and the area.

During the upcoming year, the NEDC will be facilitating an economic impact study through the Northeast Regional Biomass Program of an ethanol plant being located along Rt 104. We will also be assisting LRPC in reviewing the potential traffic impact of the projected ethanol facility. Ingram-Howell's facility will, when constructed, employ approximately 80 people and be a major new taxpayer in the area. The NEDC will also develop a revolving loan fund for the area that could benefit any business with its financial needs

Sincerely,

Change Parker, Executive Director

COMMISSIONERS' REPORT - FISCAL YEAR 1995

The Grafton County Board of Commissioners is pleased to present the following reports and financial statements. We hope they will increase your understanding of Grafton County's finances and operations and assure citizens that their County tax dollars have been expended wisely.

During FY 1995, funds received exceeded the budget by \$163,615.52 for a total of \$14,981,914.52 in actual County revenues. This was primarily due to the receipt of Medicaid Proportionate Share Payment, given by the Federal Government to partially offset the cost of serving a disproportionate share of Medicaid recipients at the County Nursing Home.

Actual expenditures totaled \$14,598,041.22 which was \$220,257.78 less than had been budgeted. This includes \$378,525 paid to the State of New Hampshire to enable the County to receive \$757,050 in Medicaid Proportionate Share Payment, for a net receipt of \$378,525 which was used by the County to start a Nursing Home Capital Reserve Account in the amount of \$200,000 and the balance going to surplus to help reduce the amount to be raised by County taxes. Expenditures for Medical Referee, Dispatch Center, Grafton County Conservation District, and Outside Counsel were all a little overexpended based on what was budgeted, but all other County departments were well under their budgeted amounts.

The bottom line for FY 1995 showed that revenues exceeded expenditures by \$383,873.30 leaving the County in a sound financial position at the end of its fiscal year. The Commissioners feel extremely proud of this financial picture, which exemplifies good management by all County department heads, both elected and appointed.

Grafton County experienced some major changes during FY 1995, some of which were the retirement of Douglas "Bum" Bigelow who served the County with forty-four years of dedicated, loyal service. The Commissioners would also like to take the opportunity to thank former Commissioner Betty Jo Taffe for her years of dedicated service to the citizens and employees of Grafton County. The Commissioners would also like to extend their thanks to Joanne Mann for doing an excellent job as Acting Administrator of the Nursing Home through November of 1994. At that time, Mr. John Will came on board as the Nursing Home Administrator, and we would like to welcome Mr. Will and inform you he has done a superb job thus far. Last but not least, we would like to welcome our newest Commissioner, Mr. Steve Panagoulis, Vice-Chairman, Grafton County Board of Commissioners, District 3. Commissioner Panagoulis brings a great deal of knowledge and sound judgment to the Board, and has shown those qualities since January, 1995. We feel Commissioner Panagoulis is a great asset to the citizens and employees of Grafton County.

FY 1995 was another busy year for the Department of Corrections. Admissions were up, although inmate days decreased slightly. The Electronic Monitoring Program continues to grow, and appears to be an excellent form of alternative sentencing, and now has expanded to include the Drug Freedom Program which is funded through a grant from the Attorney General's Office. Superintendent Bird continues utilizing many volunteers for a number of in-house programs.

The Grafton County Nursing Home has seen changes during the past year in the following areas: computer hardware upgrade, and adding a new part-time dietary aide to help serve meals. In May, Cheryl Ridley, RN, became our new Director of Nursing, our census continues to grow, and our Staff Development Coordinator has implemented a "Quality Assurance" program in-house.

The Commissioners are extremely proud of the Whole Village Family Resource Center project, which continues on track, and hopefully will be completed by the end of the next fiscal year. We are certain it will benefit many citizens and their families in Southeastern Grafton County.

All other County departments were extremely busy during FY 1995. The County Treasurer did an excellent job investing County funds, and exceeded the budgeted interest revenue figure by \$55,177.78. The new County Attorney has done an excellent job in his office, and the number of backlog cases has been reduced drastically. Our Sheriff's Department and Dispatch Center continue to increase with activity, and remain as effective and efficient as always. Carol Elliott, Register of Deeds, and her staff also continue to be overwhelmed with work, and continue to do an excellent job and to generate a great deal of revenue for the County and the State of New Hampshire.

For FY 1995, the Commissioners concluded with preparation of the FY 1996 County Budget, which was adopted by the County Legislative Delegation in late June.

The Grafton County Board of Commissioners holds regular weekly meetings at the County Administration Building on Route 10 just north of the County Courthouse in North Haverhill, with periodic tours of the Nursing Home, Department of Corrections, County Farm, and Courthouse. The Commissioners also attend monthly meetings of the Grafton County Executive Committee. All meetings are public, with interested citizens and members of the press encouraged to attend. Call the Commissioners' Office at 787-6941 to confirm date, time and schedule.

GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC.
ANNUAL REPORT 1995

The Board of Directors and staff of Grafton County Senior Citizens Council, Inc. work throughout the year to enhance the health and independence of our older citizens and to assist them to remain independent in their own homes and communities for as long as possible. Through eight locations throughout the County, including Plymouth, Bristol, Canaan, Lebanon, Orford, Haverhill, Littleton and Lincoln, older adults and their families are able to obtain services such as home delivered meals, senior dining room programs, transportation, social work services, information and referral, health and educational programs, adult day care, recreation and opportunities to be of service to the community through volunteering.

During 1995, 58 residents of Bridgewater were able to make use of one or more of GCSCC's programs. These older adults enjoyed balanced meals in the company of friends in a senior dining room, benefitted from hot, nourishing meals delivered to their homes by caring volunteers, were transported to health care providers or other community resources by our lift-equipped buses, and found opportunities to put their talent and skills to work for a better community through volunteer service.

Services for older residents of Bridgewater were often important to their efforts to remain in their own homes and out of institutional care despite chronic health problems and increasing physical frailty, saving tax dollars and contributing to the quality of life of our older friends and neighbors.

GCSCC very much appreciates the support of the Bridgewater community for services which enhance the independence and dignity of our older citizens and assists them to meet the challenges of aging in place.

Carol W. Dustin
 Executive Director

A United Way Agency providing services to older adults in Grafton County
